

QUALITY KITCHEN DOORS AND PANELS

DURAFORM[®]
DOORS

Formed to Perfection

Duraform® quality kitchen

doors and panels to suit your lifestyle

An Australian owned family company, Janper Pty Ltd was established in 1969, and now has over forty years experience in the cabinet making industry.

Millions of dollars have been invested in research and development and state-of-the-art manufacturing equipment. From automatic routing systems, to our current high pressure vacuum press, this reflects our determination and commitment to keep abreast with Australian and International standards in quality.

Design, production and quality systems are assessed regularly, with on-going training and updating of systems to maintain the highest calibre of finished product that has made Janper a leading manufacturer in the industry.

Janper's range of *Duraform*[®] door designs expands daily being limited only by our customers' requirements or imagination.

Janper offers a wide range of uses for *Duraform*[®] doors and panels domestically e.g. kitchens, bathrooms, laundries, wardrobes and your home office. Also, you can use our products for commercial applications in restaurants, hospitals, apartments and as office furniture. The uses are endless.

If you are looking for the best quality and service look no further than *Duraform*[®] Doors – We guarantee it!

QUALITY THAT LASTS

FOLD BACKS

Janper's Fold Backs enable end panels to be vinyl wrapped and returned without joins.

Ideal for Fridge Panels, Pantry Panels, Island End Panels and Decorative Pieces for furniture, our new Fold Back Panels are the solution.

ACCESSORIES

Decorative Moulds

Janper has a range of accessories available such as decorative flutes, circular flutes, wine racks, roller shutter frames, open shelves, capping mould and a range of one to eight pane colonial frames.

CLEANING and MAINTENANCE

Clean regularly.

Avoid abrasive cleaners as a change in the surface appearance may result.

Wipe any spills immediately.

Clean using warm soapy water and a soft cloth and towel dry.

Persistent stains may be treated by gently wiping with methylated spirits.

Avoid contact with sharp implements.

Door seals around wall ovens and dishwashers should be checked regularly for leakages.

WARRANTY

Our policy is to use the finest quality material and manufacturing processes and as part of our ongoing commitment to you, Janper Pty Ltd will warranty your *Duraform*® Doors against faulty materials and manufacture, for a period of 7 years from the date of installation by the original purchaser of the doors, from the current range.

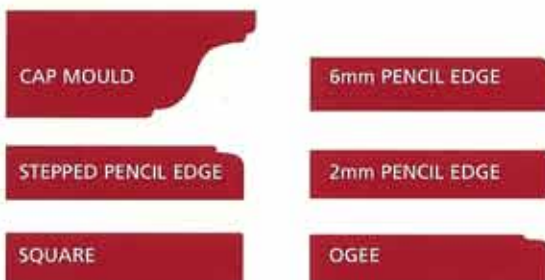

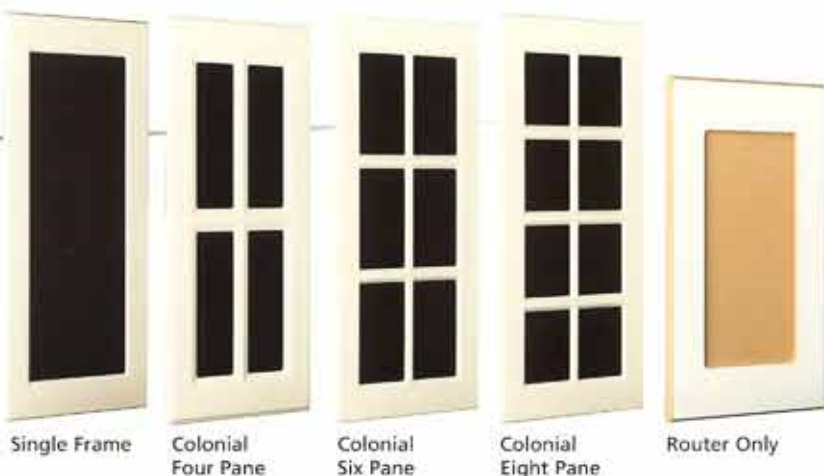

Heat Deflectors

Heat Deflectors must be fitted around most modern ovens. Due to their design heat is not deflected away from doors and surrounding areas. Janper recommends using heat deflectors along such ovens and failing to do so will make the warranty of the doors null and void.

Janper is proud to be a member of the Australian Thermo Laminating Association (ATLA) and the Cabinet Makers Association (CMA).

Available 100, 200, 300, 400, 500 returns.
Restricted by sheet size.
